Beautiful Canvas #1 introduces us to a strange, yet enthralling narrative involving a hitwoman and the strange boy she was meant to kill. Giving us plenty of tension and mystery throughout this opening chapter, the creative team leave us a lot to mull over as we await the next instalment, with it being a must have for fans of the publisher.

Aliens is a line of several comic books set in the fictional universe of the Alien films published by Dark Horse Comics from 1988 forward. The stories often feature the company Weyland-Yutani and the United States Colonial Marines. Originally intended as a sequel to James Cameron's 1986 film Aliens, the first mini-series features the characters of Rebecca "Newt" Jorden and Corporal Dwayne Hicks.
