Business communication is the process of sharing information and data between people within or

outside a company. Its purpose is to communicate data, make adequate decisions or promote a service. It is a key factor because it builds and maintains positive relationships inside and outside the business .

**Business Communication and The Importance of Visuals**

View top-quality stock photos of Business Communication. Find premium, high-resolution stock photography at Getty Images.

**Business Communication Stock Photo | Getty Images**

Communication is neither the transmission of a message nor the message itself. It is the mutual exchange of understanding, originating with the receiver. Communication needs to be effective in business. Communication is the essence of management.
