By Sharfuddin Syed, Distinguished Engineer, Infinera and Jack Pugaczewski, Distinguished Architect, CenturyLink A new generation of end-user applications portends to not only drive continued demand for increased capacity, but also to create formidable operational challenges resulting from rapid and unprecedented shifts in traffic patterns.

### **CenturyLink and Infinera: On the Path Toward the Cognitive ...**

Small Cells deliver cost-effective capacity and coverage, indoors and outdoors, and are key to network innovation. As data traffic rises and subscribers' performance expectations grow, supplementing macro networks with small cells is an effective way to provide coverage and capacity indoors and outdoors, in the public space, enterprises and in homes.

### **Small Cells increase capacity and coverage - Nokia Networks**

Advantages of Intranet. There are number of advantages of intranet discussed below. Intranets offering workforce productivity which can help user to find and observe information very fast.

### **Advantages & Disadvantages of Intranet - FreeWimaxInfo.com**

Information on computer and network types including but not limited to wide area network, local area networks, campus area network, storage area network and computer network technologies

### **Types of Network | LAN | MAN | SAN - FreeWimaxInfo.com**

Traffica is a real-time network analytics tool that provides monitoring and troubleshooting while giving insights into traffic, network, locations, devices and subscribers.

### **Traffica - Nokia Networks**

Subscribe to Imagine for schools. Get a low-cost subscription from Microsoft, and give students and faculty free access to software and developer tools.

### **Developer Tools and Software for Schools and Educators ...**

Software Driven Cloud Networking. Arista Networks has championed the guiding cloud principles of cloud leaders with network designs serving private cloud, public cloud, hybrid cloud, enterprise and high-performance network use cases.

### **Low Latency Cloud Networking Solutions - Arista Networks**

GSMA GLOMO Award on 5G Industry Partnership – for 5G-MoNArch partners Hamburg Port Authority, Deutsche Telekom and Nokia for the First Large Scale Industrial Commercial 5G Trial – the Hamburg Smart Sea Port testbed!. 5G-MoNArch will be present with a demonstrator of the Smart Sea Port testbed at the Mobile World Congress 2019 in Barcelona from February 25-28, 2019.

### **5G Mobile Network Architecture - for diverse services, use ...**

Microsoft Azure is an open, flexible, enterprise-grade cloud computing platform. Move faster, do more, and save money with IaaS + PaaS. Try for FREE.

**Microsoft Azure Cloud Computing Platform & Services**

Go beyond a traditional user interface to automate metadata-based bots with SAP Intelligent Robotic Process Automation services. Capture user interactions with the robotic process automation tools and software you need to build intelligent bots with machine learning and conversational AI for hands-free execution and bot stability.

**Machine Learning Applications and Platform | SAP Leonardo**

Learn how to build and manage powerful applications using Microsoft Azure cloud services. Get documentation, example code, tutorials, and more.

**Microsoft Azure Documentation | Microsoft Docs**

IBM IT Infrastructure services offers a full range of services to design, develop, integrate, optimize, validate and deploy comprehensive solutions that support On Demand Business.

**IBM Infrastructure Services**

Introduction. DevConf is a community-driven, developer focused, one-day conference hosted annually. The aim of the conference is to provide software developers with a buffet of tools, practices and principles applicable to tackling current and future challenges in the South African software development environment.

**DevConf ZA**

Micro Focus technology bridges old and new, unifying our customers' IT investments with emerging technologies to meet increasingly complex business demands.
