

Famous African Literature

Famous African Literature

African literature is literature of or from Africa and includes oral literature (or "orature", in the term coined by Ugandan scholar Pio Zirimu).. As George Joseph notes in his chapter on African literature in *Understanding Contemporary Africa*, whereas European views of literature often stressed a separation of art and content, African awareness is inclusive:

African literature - Wikipedia

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley. Before the high point of slave narratives, African-American literature was dominated by autobiographical spiritual narratives.
