Flowers In The Desert Play

A desert is a barren area of landscape where little precipitation occurs and, consequently, living conditions are hostile for plant and animal life. The lack of vegetation exposes the unprotected surface of the ground to the processes of denudation. About one-third of the land surface of the world is arid or semi-arid. This includes much of the polar regions where little precipitation occurs ...

A collection of quotes on the subject of flowers. Flowers ... that are so pathetic in their beauty, frail as the clouds, and in their colouring as gorgeous as the heavens, had through thousands of years been the heritage of children—honoured as the jewellery of God only by them—when suddenly the voice of Christianity, counter-signing the voice of infancy, raised them to a grandeur ...

The Desert Song is an operetta with music by Sigmund Romberg and book and lyrics by Oscar Hammerstein II, Otto Harbach and Frank Mandel. It was inspired by the 1925 uprising of the Riffs, a group of Moroccan fighters, against French colonial rule. It was also inspired by stories of Lawrence of Arabia aiding native guerrillas. Many tales romanticizing Arab North Africa were in vogue, including ...
