Forgotten Horrors Comics Stories

Forgotten Realms is a campaign setting for the Dungeons & Dragons (D&D) fantasy role-playing game. Commonly referred to by players and game designers alike as "The Realms", it was created by game designer Ed Greenwood around 1967 as a setting for his childhood stories. Several years later, Greenwood brought the setting to the D&D game as a series of magazine articles, and the first Realms game ...

"All new jokes!": In Ancient Greece, while having just invented theater, it didn't take long to get to where the average audience member recognized Comedy Tropes as Tropes. How comedic writers dealt with this became a trope in and of itself. As the Fourth Wall wasn't strong, a character would address the audience, say that Tropes Are Not Good, and say how this play was special because of all ...

An ongoing theme in Lovecraft's work is the complete irrelevance of mankind in the face of the cosmic horrors that apparently exist in the universe, with Lovecraft constantly referring to the "Great Old Ones": a loose pantheon of ancient, powerful deities from space who once ruled the Earth and who have since fallen into a deathlike sleep.. Lovecraft named several of these deities, including ...
