A proven plan for overcoming the painful end of any romantic relationship, including divorce, with practical strategies for healing

### **Getting Past Your Breakup: How to Turn a Devastating Loss ...**

A relationship breakup, often referred to simply as a breakup, is the termination of an intimate relationship by any means other than death. The act is commonly termed "dumping [someone]" in slang when it is initiated by one partner. [citation needed] The term is less likely to be applied to a married couple, where a breakup is typically called a separation or divorce.
