### **How To Identify An Abusive**

Over time, the accusations, verbal abuse, name-calling, criticisms, and gaslighting erode a victim's sense of self so much that they can no longer see themselves realistically. Consequently, the victim begins to agree with the abuser and becomes internally critical. Once this happens, most victims become trapped in the abusive relationship believing that they will never be good enough for ...

Abuse is the improper usage or treatment of a thing, often to unfairly or improperly gain benefit. Abuse can come in many forms, such as: physical or verbal maltreatment, injury, assault, violation, rape, unjust practices, crimes, or other types of aggression. To these descriptions, one can also add the Kantian notion of the wrongness of using another human being as means to an end rather than
