

How To Prepare For Residency Interview

How To Prepare For Residency

After the Match: How to Prepare for Residency. If your residency is more than three or four years, I'd recommend considering purchasing a house instead of renting. Keep in mind, once your residency begins, it will be exceptionally difficult to move to a new apartment or home, so take your time deciding where you want to live, including your commute and traffic in your new city.

How to Prepare for Residency - Accepted Admissions Blog

5. Preparing certain questions beforehand: It is a best practice to prepare some of the questions beforehand as to ensure the assessment of the interview. The answers for the sample questions can be practiced and even the generic questions should be practiced. It generates the extra questions that are available for the other repeated questions. 6.

How to Prepare for Residency Interview: Best Guide - WiseStep

Make it special. Celebrate with your friends. Trust me, the next three years in residency training are going to be the most exciting journey you take on the way to completing your training and finally get to start your "real" career.

Preparing for Residency: 6 Tips for Success | Sound Physicians

Candidates for residency positions in these specialties should participate in a separate match process, which takes place before the NRMP. They must also participate, in most cases, in the NRMP in order to secure the prerequisite postgraduate training for each of these specialties.

Preparing for Residency - University of Kansas Hospital

Transition to Residency. Once you match into a residency program, you start other adventures; specifically, wrapping up your medical school career and planning for your new life as a resident. In addition to arranging the logistics including addressing your own medical insurance, repaying your school loans, moving to a new location,...

Prepare for Residency - Careers In Medicine

Make sure you have a list of questions for the residency director and the residents as well. It is never good to say "No" when they ask if you have any questions. Below is a list of some general questions, written by past resident of ICO and past Treasurer of AOSA, Jessilin Quint, O.D. to help you prepare.
