Loan Phonology And The Two

The phonology of Standard German is the standard pronunciation or accent of the German language. It deals with current phonology and phonetics as well as with historical developments thereof as well as the geographical variants and the influence of German dialects. While the spelling of German is officially standardised by an international organisation (the Council for German Orthography) the ...

Standard German phonology - Wikipedia

French phonology is the sound system of French. This article discusses mainly the phonology of Standard French of the Parisian dialect. Notable phonological features include its uvular r, nasal vowels, and three processes affecting word-final sounds: liaison, a specific instance of sandhi in which word-final consonants are not pronounced unless they are followed by a word beginning with a vowel ...
