The pre-flight safety briefing (also known as a pre-flight demonstration, in-flight safety briefing, in-flight safety demonstration, safety instructions, or simply the safety video) is a detailed explanation given before take-off to airline passengers about the safety features of the aircraft they are aboard.. Aviation regulations do not state how an airline should deliver the briefing, only ...

Pre-flight safety demonstration - Wikipedia

The Canadian Aviation Regulations are a compilation of regulatory requirements designed to enhance safety and the competitiveness of the Canadian aviation industry. They correspond to the

broad areas of aviation which Transport Canada, Civil Aviation is mandated to regulate (e.g. personnel licensing, airworthiness, commercial air services, etc.).
