Abstract. The notion of paying college football players has been an ongoing debate since the early 1900's. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.

So I'm not sure how riot feels about Sona Taric bot but its clearly a strong lane that if you can't deal with it you must use a ban. (at least in pro play) My proposal is that if Riot does decide to nerf this strat instead of nerfing the champs themselves, just make it so that targon proc's count as cs'ing which means that sona cant recharge her frostfang stacks.
