Pediatric Environmental Health Center at Boston Children's Hospital. MyPatients Provider Portal; MyPatients is a tool for referring providers that gives you access to information about your patient's care.

Pediatric Environmental Health Center | Boston Children's ...

Pediatric environmental health from A to Z Air quality Without air, there is no life. Children breathe much faster than adults. Closer to the ground, any pollutant heavier than air will be closer to their lungs than to ours. When at play, they breathe even faster, drawing in the air and whatever contaminants it may hold.

Pediatric Environmental Health

This training module is based on PSR's PEHT, which has been endorsed by the American Academy of Pediatrics. It will introduce users to environmental health, instruct pediatric health care providers in the use of the Toolkit, and discuss the best methods for delivering environmental health anticipatory guidance in the clinical setting.
