Pictures Of The Biggest House

"Make sure you have a well-set plan before you start your renovations, because you don't want to go in there and just clear everything out, when you might be able to work around some areas," warns Carey Evans of Don't Sweat It. "I see this time and time again where people just start, and they think they're going to pull a piece of wallpaper off, and by the time the process is over, they've ...

This is a really big project. Big projects require time and money. All the Details. After painstaking hours of logging every single purchase I made for the Flo Shack, I'm now happy to share with you my entire Bill of Materials (see "Purchased" tab). This is a completely unabridged list of the things I bought to make the Flo Shack possible.

Design and Build a Tiny House: 20 Steps (with Pictures)

The architecture of Victorian houses usually looks grand and imposing, even when the house is actually small. Having survived more than a century, the homes are often either in shambles and 'haunted' or in a gentrified yuppie neighborhood, renovated into the 21st-century.
