Protest art is the creative works produced by activists and social movements. It is a traditional means of communication, utilized by a cross section of collectives and the state to inform and persuade citizens. Protest art helps arouse base emotions in their audiences, and in return may increase the climate of tension and create new opportunities to dissent.

The Art of Protest: From Vietnam to AIDS. As we noted earlier, Clement Greenberg's Art and Culture (1961) promoted the values of abstract expressionism and argued against images that directly portrayed social or political messages. Such non-representational art contrasted sharply with the highly pictorial style of socialist realism, and came to be thought of as "more objective" despite its ...
