

## *Queer Bdsm Intimacies Critical Consent And Pushing Boundaries*

**Queer Bdsm Intimacies Critical Consent**

In BDSM, a safeword is a code word, series of code words or other signal used by a person to communicate their physical or emotional state, typically when approaching, or crossing, a physical, emotional, or moral boundary. Some safewords are used to stop the scene outright, while others can communicate a willingness to continue, but at a reduced level of intensity.
