The Self Under Siege: Philosophy in the 20th Century (1993) Rick Roderick, Ph. D. Lecture One: The Masters of Suspicion. Current professional philosophy is "deflationary" in that it gives no answers to our larger questions, in particular our questions concerning our selves, our projects, our questions concerning our own selves, our projects, our place in society and in the world.

300 Guide: The Self Under Siege (1993) - Rick Roderick

Radical centrism (also called the radical center/centre or radical middle) is a political ideology that arose in the Western nations in the late 20th century. At first it was defined in a variety of ways, but at the beginning of the 21st century a number of political science texts gave it a more developed cast.

When I became an author and submersed myself in the world of self-improvement, it became clear which books had useful, innovative advice for women. With that in mind, here are the top 10 books I ...

10 Self-Help Books About Love That EVERYONE Should Read

There are a long list of things that every manager needs to do every day, every week, every quarter, to be successful. One of these, which we've been heavily focused on to start, is feedback. We believe that feedback is at the center of what managers need to do to build good relationships and drive performance on their teams.

Courtly Love. If you study the history of human sexuality and marriage through ancient and primitive cultures, you will find that communal sex and polygamy predominate. Communal sex tends to predominate in matriarchal societies—that is, societies in which power tends to pass through women, and property is more or less communal—where women mate with whomever they want, without any particular ...
