The Honourable Artillery Company (HAC) was incorporated by Royal Charter in 1537 by King Henry VIII and is considered the second oldest military corps in the world. Today, it is a registered charity whose purpose is to attend to the "better defence of the realm". This purpose is primarily achieved by the support of the HAC Regiment and a detachment of City of London Special Constabulary.

A PT boat (short for patrol torpedo boat) was a torpedo-armed fast attack vessel used by the United States Navy in World War II. It was small, fast, and inexpensive to build, valued for its maneuverability and speed but hampered at the beginning of the war by ineffective torpedoes, limited armament, and comparatively fragile construction that limited some of the variants to coastal waters.
