Dark Mode. Version 2.4 introduces a new feature: dark mode. Setting dark mode changes the colour scheme, so the background colour is dark - nearly black - and the text is pale. This setting is useful for using the oremus Bible Browser in a dark setting, for example at a nighttime service in a church or elsewhere.

News flash: the Bible is huge: about 611,000 words long, all divvied up across 66 smaller documents called the "books" of the Bible.. That's because the Bible is a collection of writings from different authors writing at different times. In some ways, that makes it easier to approach the Bible: we can read it in "chunks" rather than needing to read the whole Bible at once.
