In his two decades of clinical practice, he has treated literally thousands of patients. Dr. Schulze maintains that he learned 5% of what he knows from school and 95% in the clinic, and always credits his patients as his real teachers. Without a doubt, his real-life clinical experience is what sets him apart from other doctors in his field.

Five Ways to Gain Experience Without Shadowing. Gaining clinical experience is an important part of the medical school application. But to be a competitive medical school applicant, some have questioned if it's necessary to shadow a doctor. It's true that shadowing is great experience, as it exposes you to patient care in a clinical setting...

Five Ways to Gain Experience Without Shadowing

Obtaining clinical experience. Shadowing a physician allows you to observe the daily life of a doctor and obtain insight from professionals about their experiences and how they view their field. Other ways of engaging in these types of experiences include: Volunteering at a social service agency (suicide hotline, Alzheimer's Association,...
