### **Education Reform Act 1988 - Wikipedia**

The 1988 Education Reform Act - Class Notes. The New Right's 1988 Education Reform Act put in place the policies which aimed to achieve the goal of raising standards. This is the act which more than any other has shaped the modern education system. The 1997 New Labour and the 2010 Coalition Government which followed kept to the basic system established in 1988.

### **The 1988 Education Reform Act - Class Notes - ReviseSociology**

First of all, the 1988 education reform act has impacted on the schools standards as it had been raised due to marketisation (institutions must be subject to market forces). Marketisation is the involvement of competition and choice, educational institutions must compete for the students with one another, providing parents the choice of their child's education.
