### **Harlequin | The Flaw in His Diamond**

And so he had learned about his blood father, the count, the drunken gambler who had sold his son to the childless wife of a mafia don in settlement of his gambling debts. 'You're not blood so you can't take over the family business,' his adoptive father had thought it timely to explain while Roman was still reeling from these facts.

Kim Petersen (aka King Diamond) must be one of the hardest working men in all of the metal realm, or at least he was from the late 7. When his alma mater Mercyful Fate first broke up, our favorite falsetto rigorously pursued his dreams into a new solo project, and the initial body of work encompassing the first five albums from 1.
