7.1.1 This Chapter provides details of the road markings which may be used on roads in Ireland, including their layout and symbols, the circumstances in which each marking may be used and guidance

7. Road Markings - Minister for Transport, Tourism and Sport

The design and applications of traffic control devices used in temporary traffic control zones are described in this chapter. A traffic control device is a sign, signal, marking or other device placed on or adjacent to a street or highway (by authority of a public body or official having jurisdiction), to regulate, warn, or guide traffic.
