Feminist Ethics is an attempt to revise, reformulate, or rethink traditional ethics to the extent it depreciates or devalues women's moral experience. Among others, feminist philosopher Alison Jaggar faults traditional ethics for letting women down in five related ways. First, it shows less concern for women's as opposed to men's issues and interests.

Sprinkle was originally conceived in 2007 as a collection of student works from the McGill Sexual Diversity Studies department. We hope to widen this scope a bit, but continue to produce a queer-positive, critical journal that seeks to challenge the normative experiences that are often privileged within our society.
