One of the more controversial concepts in Agile Modeling is that agile models and agile documents are sufficient for the task at hand, or as I like to say they are just barely good enough (JBGE) . In this article I make the following critical points about a model or document (an artifact) being just barely good enough:

Just Barely Good Enough Models and Documents: An Agile ...

This is an easy way to get off on your bike without losing any time on the road. While you keep your hands steady on the handlebars, your female passenger simply reaches around, unzips your pants, whips it out, and starts stroking your rod.
